

# Call for Program Proposals

The 2017 ORALL Annual Meeting

Hello everyone,

The ORALL Education Committee is requesting program proposals for the 2017 Annual Meeting to be held in Cleveland, Ohio, this October 18-20. The theme for this year's meeting is *Creating Winning Strategies*

While proposals can be on any topic that in some respect address emerging or otherwise timely issues facing legal information professionals, the Education Committee encourages applicants to incorporate the theme of creating winning strategies for their libraries into their proposal.

This year we would like to offer several different types of programs, including poster sessions, our ever-popular "cool tools" session, and a few shorter topics offered in a joint program. Programs should aim to be one hour in length including time for questions.

For a proposal to be considered, it must include the following information:

- Program title.
- Detailed description of what the program will cover.
- Names of the planners of the program.
- Names of speakers to be invited.
- Presentation format of the program.

**Proposals Due:** Friday, May 12, 2017

Remember, this is a great way to prepare for a larger presentation for a national conference or meeting!

The ORALL Education Committee welcomes your comments and questions. For additional information, questions should be directed to Ingrid Mattson, Education Committee Chair at [Mattson.30@osu.edu](mailto:Mattson.30@osu.edu)

Proposals are due Friday, May 12, 2017, and should be sent to Ingrid Mattson at [Mattson.30@osu.edu](mailto:Mattson.30@osu.edu).

Thank you,

The Education Committee
