OHIO REGIONAL ASSOCIATION OF LAW LIBRARIES

HISTORY AND PURPOSE

The Ohio Regional Association of Law Libraries, or ORALL, was organized in April, 1949 at a meeting of law librarians at the Ohio State University Law Library in Columbus, Ohio. The original name of the Association was the Ohio Association of Law Libraries, and membership was limited by its constitution to residents of Ohio. The name of the Association was changed in 1968 to the Ohio Regional Association of Law Libraries to reflect the fact that law librarians from Indiana, and Kentucky, as well as neighboring states regularly attended the meetings. All residency requirements were dropped in 1971, as law librarians from other states had been active and essential members of the Association. ORALL became a multi-state chapter of the American Association of Law Libraries in 1971, and was incorporated as an Ohio not-for-profit corporation in 1989.

ORALL's purpose, although expanded through various constitutional changes since 1949, is to further the development and usefulness of law libraries, to promote the growth, advancement and improvement of the profession of law librarianship, and to stimulate a spirit of mutual helpfulness and cooperation among law librarians of the Ohio region.

Three major revisions of ORALL's governing document have occurred since 1949. The first, in 1971, recognized the multi-state character of the Association. The second, in 1979, saw adoption of a new constitution and bylaws patterned after those of the American Association of Law Libraries. The third, in 1990, merged the Constitution and Bylaws into one unified document, the Bylaws of the Ohio Regional Association of Law Libraries.

The officers of the Association include the President, Vice President/President-Elect, Secretary and Treasurer. The officers, the immediate past president and two members elected at-large constitute the Executive Board, which is responsible for planning and directing the affairs of the Association. The officers are inducted at the annual meeting.

ORALL's current standing committees are: AALL Arrangements, Bylaws and Guidelines, Education, Government Relations, Grants, Internet, Membership, Newsletter, Nominating, Publications. In addition, special committees may be appointed by the President. Committee members serve for a calendar year. Committee duties are described elsewhere in this handbook.

ORALL recognizes and supports the program activities of the following Special Interest Groups within the Association: County Law Libraries, Indiana Law Libraries, Kentucky Law Libraries, Private Law Libraries, and Academic Law Libraries. Descriptions of these groups can be found elsewhere in this handbook.

The Association traditionally held two educational meetings per year, the annual meeting in the fall, and the spring meeting in May, usually in conjunction with the Ohio State Bar Association annual convention. In 1990 the membership voted to eliminate the spring meeting beginning in 1992. [In the early 1990s, the Ohio Bar began mandatory CLE which increased the size of their convention. This impacted the hotel space available for ORALL meetings.] In 1998 the Board initiated a retreat to be held in late winter each year at which committees and Special Interest Groups of the Association could gather in an informal setting to conduct business. The Past President was responsible for planning the retreat, usually held at one of the Ohio State Parks. Although the retreats only lasted a few years, the Executive Board adopted a policy allowing Special Interest Groups to hold their own meetings outside the annual meeting. The Executive Board has often held extra meetings or met at the AALL Annual Meeting.

The Chapter publishes a quarterly newsletter entitled *ORALL Newsletter*, which is financed by dues and proceeds from the sale of advertising space. ORALL publishes an annual *Membership Directory* in the fall. The *Core Legal Collection* included titles of primary and secondary legal sources for Indiana, Kentucky, and Ohio and a subject listing of general treatment treatises. It was published every few years.

The Public Services Committee (no longer an active committee), formed in response to a growing concern over public access to legal information, presented workshops on legal research and provided consulting services to public and special libraries. The Committee had produced three editions of *Ohio Legal Resources - An Annotated Bibliography and Guide*, published and distributed by the Ohio Library Association.

PERMANENT ADDRESS

ORALL is an Ohio corporation. The Statutory Agent is the current Treasurer and should be the recipient of any corporate correspondence.

ORGANIZATIONAL STRUCTURE

MEMBERSHIP

There are three classes of membership provided for in Bylaw IV, Section 2 of the Bylaws of the Ohio Regional Association of Law Libraries:

A. INDIVIDUAL MEMBERS are persons employed by a law library, or who have an active interest in the promotion of law libraries. Individual members may vote on matters before the Association.

B. INSTITUTIONAL MEMBERS. Any library or institution whose predominant function is that of conducting a law library, or any separately maintained law section or branch of any library or institution may become an institutional member by payment of dues of designated staff members who shall be entitled to individual membership in the Association. Institutional members may not vote on matters before the Association except through their designated staff members.

C. LIFE MEMBERSHIP may be granted to individual members of the Association who have retired from active library duty. A two-thirds majority of the members present at any regular meeting of the Association may confer life membership. Life members retain voting rights on matters before the Association. Life members are exempt from payment of annual dues.

MEMBERSHIP DUES

The annual dues for individual members are currently \$20.00, payable in January. Life members do not pay dues. Should dues not be received by May 15th, the person is suspended from membership without notification and voting privileges are suspended for that year. Membership may be reinstated at any time thereafter, but voting privileges will not be reinstated until the next membership cycle.

ANNUAL MEETING

The members of ORALL meet once each year, usually in the fall. The location of the meetings varies, each one hosted by the law libraries of the host city. The meeting spans three days and is traditionally a combination of Association business and educational programs. Aside from conducting Association business, it is the program which is the essential means of fulfilling the purposes of ORALL. The format for the program has included both instruction and a forum for the interchange of ideas and experiences. Traditionally, the program has been structured upon a specific theme, for example, cataloging, book selection, management, or computerized research. Speakers include both nationally recognized authorities and members of the Association. Workshops designed for particular types of law libraries are often scheduled. On

occasion, tours of law libraries in the host city have been arranged.

OFFICERS

In addition to the duties normally associated with each office, other specific functions may be imposed by the Bylaws.

Both the President and the Vice President/President-Elect must be members of the American Association of Law Libraries. Neither may hold office for more than two consecutive terms. No officer may hold more than one office at a time.

The President appoints the chairpersons and members of each standing committee of the Association. The President may also appoint special committees as needed to promote the interests of the Association.

Officers are elected in the spring and assume office following the close of the annual meeting.

EXECUTIVE BOARD

The property, business and affairs of the Association are managed by an Executive Board which is composed of the officers of the Association, the retiring President and two members of the Association who are not officers. Non-officer Board members are elected to serve two-year terms.

COMMITTEES

The President appoints the chairperson and the members of each standing committee. The President may also appoint special committees as needed to promote the interests of the Association. The committees will carry out duties which have been assigned by the Executive Board.

The standing committees are:

SPECIAL POLICIES OF ORALL

The Executive Board is charged with the responsibility of carrying on the business of the Ohio Regional Association of Law Libraries under Bylaw VIII. Pursuant to that charge, the Executive Board has enacted policies appropriate for the effective operation of the organization. The following policies were enacted after 1992.

1. AALL Annual Meeting Expenses for President and Vice-President

As the duties of the President and the Vice-President require them to attend the AALL Annual Meeting the Board shall allocate to each of these officers \$750.00 to attend the AALL Annual Meeting. This amount is meant to cover the cost of early bird registration as well as one night's hotel (this is due to the fact that they need to arrive prior to the start of the meeting to attend the Chapter President's Meeting). All expenses must be approved in advance by the Board and then submitted to the Treasurer for reimbursement.

2. Speakers Expenses.

ORALL will waive registration non-members who speak at the ORALL annual meeting and may be paid a \$100 honoraria, in addition to having their registration fee waived, plus travel and hotel accommodations for one evening. Depending on the hotel situation, the local arrangements chair may request from the Executive Board that ORALL provide hotel accommodations for the meeting for one member of the committee. Additionally, the registration fee will be waived for the Local Arrangements Chair.

3. Education Chair Expenses.

The Education Chair shall receive free registration for the ORALL annual meeting.

4. Executive Board Minutes.

The minutes of the Executive Board of ORALL are to be published in the *ORALL Newsletter*.

5. Special Interest Group Expenses.

Special Interest Groups (SIGs) may request up to \$1000 to defray the expenses of meetings held at a time separate from the annual meeting. The SIG Chair must submit to the President a report itemizing expenses which will be considered by the President and one other Executive Board member who is not a member of the requesting SIG. Such expenses may include speakers, food, conference room, etc., and shall be itemized on the Request for Reimbursement of Expenses Form, copies of which are available from the Treasurer. In lieu of this policy, the SIG may not solicit or accept cash support from vendors for their meetings that are held at a time separate from the annual meetings. Adopted May 4, 1994; revised October 5, 2001.

6. Electronic Version of ORALL Directory.

The *ORALL Directory* will be made available on the ORALL website.

7. ORALL Listserv Rules and Conditions

The following are the rules and conditions of participation in the ORALL Listserv. By subscribing to and participating in this Listserv, users hereby agree to be bound by and warrant their full compliance with the following terms of participation:

It facilitates communication among the county and court librarians and provides a liaison function to both ORALL and the Consortium of Ohio County Law Libraries with regard to the interests of county and court law libraries. Programs of special interest to county and court librarians are presented, but the greatest value of an SIG meeting is in the interactions of the members. Discussions cover things such as: "how-to" tips, current legislation, new products, technology, best practices and problems with funding and publishers; the list is endless because the profession keeps changing. Membership in the County Law Libraries SIG provides a network in which the members can connect names to faces and share valuable information on a personal level.

Any active member of ORALL may be a member of the special interest group. An annual meeting of the group, open to all members of ORALL, is to be held in connection with the regular ORALL meeting. There is a Chairperson, and a Chairperson-Elect. The Chairperson-Elect shall be nominated from the floor and elected at the annual meeting. All members of the special interest group present at the annual meeting may vote upon issues brought before them by the Chairperson. A majority vote will prevail. A second one-day session, arranged by the Chairperson, is held each spring.

The purpose of the Indiana SIG is to foster the interests of law librarians and law libraries in the State of Indiana. Its concerns include legislation in Indiana relating to law libraries, legislative history in Indiana (or lack thereof), networking and resource sharing among Indiana law libraries. Business Relationships

- We promote fair and ethical trade practices.
- We have a duty to avoid situations in which personal interests might be served of significant benefits gained at the expense of library users, colleagues, or our employing institutions.
- We strive to obtain the maximum value for our institution's fiscal resources, while at the same time making judicious, analytical, and rational use of our institution's information resources.

Professional Responsibilities

- We relate to our colleagues with respect and in a spirit of cooperation.
- We distinguish between our personal convictions and professional duties and do not allow our personal beliefs to interfere with the service we provide.
- We recognize and respect the rights of the owner and the user of intellectual property.
- We strive for excellence in the profession by maintaining and enhancing our own knowledge and skills, by encouraging the professional development of co-workers, and by fostering the aspirations of potential members of the profession.

LIBRARY BILL OF RIGHTS

<http://www.ala.org/advocacy/intfreedom/librarybill>

The American Library Association affirms that all libraries are forums for information and ideas, and that the following basic policies should guide their services.

- 1 . Books and other library resources should be provided for the interest, information, and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.
2. Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.
3. Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.
4. Libraries should cooperate with all persons and groups concerned with resisting abridgement of free expression and free access to ideas.
5. A person's right to use a library should not be denied or abridged because of origin, age, background, or views.
6. Libraries which make exhibit spaces and meeting rooms available to the public they serve should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.

ORALL OFFICERS AND EXECUTIVE BOARD

The organizational meeting was held Saturday, April 30, 1949; Professor Ervin H. Pollack and Miss Viola M. Allen were elected temporary chairman and secretary. The Constitution of 1950 stipulated that the governing body of the Association "shall be the Executive Committee, which shall be composed of the officers of the Association and the retiring president." Today, ORALL operates with the officers, the immediate past president and two members serving as Executive Board Members. The editor of the chapter newsletter is asked to serve in a non-voting role.
